ABOUT US

G-Gallery is an art gallery and event space located in Soho, Manhattan. We feature worldwide artists and exhibit contemporary and modern art. In addition to showcasing art, our space has been utilized by prominent brands like Yeezy, Saks Fifth Avenue, and MaxAroma as a production studio for their commercial campaigns. We also curate unique events in collaboration with both established and emerging brands, catering to an upscale clientele. Each month, we host up to 10 diverse events, welcoming approximately 800 guests.

Events we can produce and host:

- Art exhibitions
- Business events and forums
- New product launch events
- Networking events

OUR SERVICES

3D BOOTH

G-Gallery features a state-of-the-art 3D LED booth and a team of talented designers ready to elevate how your audience connects with your brand. By creating interactive and innovative visuals, we bring your products, logos, and ideas to life through stunning 3D designs. Our high-quality, impactful visuals are crafted to leave a lasting impression that attracts new audiences.

OUR SERVICES

DIGITAL COVERAGE

The space is equipped with two 86-inch screens and two indoor projectors, delivering vivid and clear visuals for an immersive experience. There are two more projectors and 55 inch commercial screens facing Broadway outside capturing high volumes of pedestrian and vehicular traffic, generating 3.4 million impressions per month. Our production team can craft custom still images or video content tailored specifically for your advertising needs, ensuring maximum impact and engagement.
